## Quick Tips

Did a few of your outlets stop working in your kitchen? Lights out in your bathroom? It could be that your GFI outlet has been overloaded and here is how to quickly fix your problem instead of waiting in the dark for maintenance to come by. First you want to hit the “Reset” button in the center of your GFI outlet, it is most often the red button.

If resetting the GFI outlet does not fix the problem right away, try to hit the “Test” button. If it still isn't working properly, you may need to head over to your fuse box. Your fuse box may be located either in your Master Bedroom, or in your Laundry Room.

Once you have located your fuse box, open the panel and read which line is the “Kitchen” or “Bath” and then just reset the fuse by turning it off then on again.

If this has still not fixed your lighting problem, or if you just are not comfortable using your fuse box, then feel free to call our maintenance staff during office hours. The office can be reached at 410.546.1498, or you may submit a work order via your resident portal at:

## Time to Spring Forward...Finally!

At last! It's time to reclaim that hour of daylight! On Sunday, March 8th, don't forget to set your clocks an hour forward before going to bed!

It may still be cold and snowy outside, but we can look forward to warmer and brighter days ahead.

More light means less sleep, but more time to enjoy the fun that the sun brings.

# Adoption of the Month: Jaguar

The Wicomico Humane Society has several wonderful animals that are looking for their forever home. You can visit their shelter from 11:00am to 4:00pm Tuesday through Saturday to meet these special critters.

Jaguar is a 5 month old, female, Labrador/Beagle mix that is available for adoption. she is a sweet girl who was not socialized much as a young puppy, but is lucky to be young enough to discover new things easily. She is coming out of her shell very well, but still needs a home that will give her lots of love and show her new things.

If you are interested in adopting Jaguar, feel free to call the Humane Society at 410.749.7603 to begin the adoption process.
