Quick Tips

Have outgoing mail?

The mailbox in front of the Leasing Office is the proper location you will want to use for any outgoing mail you may have. Occasionally the Post Master will see outgoing mail on top of your mail box, however, this is not a guaranteed pick up location and it can be missed.

In addition, should you have any items that need to go to the Leasing Office, please be sure to utilize the drop box slot located on the Leasing Office door and NOT the mail box. We do not regularly check the mailbox in the morning. Thus, should you have a letter, payment, keys, or envelope with sensitive information directed for us, the post master may

take your items mistakenly and discard it since proper postage is not stamped on the item. When in doubt, simply place your items in the drop box and we will take care of it accordingly.

As always, should you have any questions, please do not hesitate to contact us. We are happy to help!

School is in Session!
