## Quick Tips

Did a few of your outlets stop working in your kitchen? Lights out in your bathroom? It could be that your GFI outlet has been overloaded and here is how to quickly fix your problem instead of waiting in the dark for maintenance to come by. First you want to hit the “Reset” button in the center of your GFI outlet, it is most often the red button.

If resetting the GFI outlet does not fix the problem right away, try to hit the “Test” button. If it still isn't working properly, you may need to head over to your fuse box. Your fuse box may be located either in your Master Bedroom, or in your Laundry Room.

Once you have located your fuse box, open the panel and read which line is the “Kitchen” or “Bath” and then just reset the fuse by turning it off then on again.

If this has still not fixed your lighting problem, or if you just are not comfortable using your fuse box, then feel free to call our maintenance staff during office hours. The office can be reached at 410.546.1498, or you may submit a work order via your resident portal at: [www.TideMillApartments.com](http://www.TideMillApartments.com)

## Time to Spring Forward...Finally!

At last! It's time to reclaim that hour of daylight! On Saturday, March 12th, don't forget to set your clocks an hour **forward** before going to bed! Daylight Savings starts officially on the 13th.

More light means less sleep, but more time to enjoy the fun that the sun brings. We can finally look forward to those Spring days ahead!

# Adoption of the Month: Dutchess

The Wicomico Humane Society has several wonderful animals that are looking for their forever home. You can visit their shelter from 11:00am to 4:00pm Tuesday through Saturday to meet these special critters.

Dutchess is a 5 year old, spayed female, Domestic Short Hair that has been available for adoption since June 2015. She is a friendly and beautiful girl who is front declawed. She absolutely loves to snuggle with her new mom/dad and just lazy the day away. Dutchess is the perfect companion for cuddlers, and those with nice furniture. :-)

If you are interested in adopting

Dutchess, feel free to call the Humane Society at 410.749.7603 to begin the adoption process. To view more information about the Humane Society of Wicomico and their animals available for adoption, visit their website at:
