Quick Tips

It seems every so often we have to remind our residents about our pet waste clean up policy. The majority of you do abide by our policies so wonderfully and **we thank you!** However, there is, unfortunately, that one person (or persons), that causes this ill-fated nuisance for everyone.

Please be reminded that anywhere you walk your pet and droppings occur, you are required to pick it up! We so graciously provide doggie bag stations throughout the community, so there is no justification for not cleaning up!

Though this is our policy throughout the community, we have noticed a growing problem in the area in between 715 and 717 buildings, as well as the pet park. If you are found not picking up after your pet, there will be no warning and an immediate \$200 fine will be applied to your account. Your understanding of our intolerance regarding this problem and it's need for constant reminder, is much appreciated. We have eyes everywhere and are now on the

lookout! We also accept anonymous tips too!

Please be respectful to others and clean up! There is a baggie and trash receptacle station no more than 30 feet from you, please utilize this station. The community and pet park is for all residents and we would like to make sure it remains clean and that no one steps in something unpleasant while enjoying the outdoors. No one likes a dirty shoe!

Pool is Open! Remember Your Passes!

Our pool is now open on for the summer. So get your swimsuit ready!

If you haven't done so already, be sure to stop by the leasing office to pick up your pool passes for the season.

In addition, you **MUST** show your pass to the attending life guard on duty **AND** sign in on the sheet provided. Be sure to **PRINT** your name and your apartment building and unit number on the sign in sheet.

We will be more strict this year on pool

passes, so please make sure you bring yours every time you take a dip!

Father's Day ~ June 17th

Happy Father's Day to all the dads in your life! Don't forget to thank those that are or have acted as a parent to you.

Looking for some affordable gift ideas? How about a picnic and day out at the zoo? Our grills are on their way, so be ready for some fun cookout days ahead!

We also like this do-it-yourself gift idea that the whole family can take part in creating. Better yet, everyone likes the chance to win something. A manly "bouquet" of scratch offs is always a winner! Check out our Pinterest page for more Father's Day gift ideas.

Tide Mill Maintenance

On Wednesday June 8th and possibly onto Thursday, June 9th, we will be entering your home to change your air filter. If you have pets, please ensure they are secured for safety reasons.

In addition, the dates between June 8th through the 17th we will be painting the lines in our parking lot. They are in desperate need of a facelift! There is no need for you to move your vehicles, but simply mind the lines while they are working so to not spread the paint.

An extra notice will be sent out and posted by the mailboxes informing you these details.

As always, please feel free to contact our leasing office should you have any additional questions or concerns.
