Quick Tips:

Do you know what **NOT** to put in your garbage disposal? First things first, always keep the cold water running any time the disposal is in use. Though it may seem to be common sense, **but grease, egg shells, rice, potato skins, bones, celery, onion peels, corn-husks, artichoke leaves, metal or glass should NEVER go down your disposal.**

In addition, never insert matches, paper products, or cigarettes. **Grease and coffee grounds will clog your garbage disposal and should be properly disposed of in your trashcan. This will be considered neglectful damage and the tenant will be held responsible for the repair.** The best way to clean and deodorize the disposal is to insert orange or lemon peels and to add some ice cubes to keep the blades sharp. Drain cleaning chemicals should never be used.

If your disposal does not work, turn off the wall switch, wait a few minutes and if your disposal does not work, turn off the wall switch, wait a few minutes and push the reset button on the actual disposal. This is the red button on or near the bottom or side of the disposal unit located under the kitchen sink.

Try to turn on the disposal at the wall switch. If the disposal still does not work, call the Management Office for maintenance service.

Time to Spring Forward...Finally!

At last! It's time to reclaim that hour of daylight! On Sunday, March 11th, don't forget to set your clocks an hour forward before going to bed! Daylight Savings starts officially at 2:00am on the 12th.

More light means less sleep, but more time to enjoy the fun that the sun brings. We can finally look forward to those Spring days ahead!

Ocean City's St. Patrick's Day Parade

Come wearing your green! Each year, the local Irish-American community (and its many friends on the Eastern Shore) celebrate St. Patrick's Day with a colorful festival and parade.

The festival begins on March 17th at 11:00am at 45th St. Plaza. This is home to the parade's reviewing stand and offers entertainment, food and beverages (mostly green) to the celebrating crowds. Parade participants — a hometown mix of marching bands, floats, service organizations, clubs, and law enforcement groups,

entertain the cheering crowds lining the parade route. Local media televise the event for the entertainment of the home crowds. Prizes are awarded. Free for spectators.

To register to be in the parade or to find out more check out [The Delmarva Irish American Club](#)
